Proceeds support:

Paid for by Riverside County Democratic Party and Democratic Party of Orange County, as a joint fundraiser, and not a candidate or committee. Contributions will be split 50/50 between the committees, but the contributors may specify a different allocation, and will be used in connection with federal elections, subject to the limits and prohibitions of the Act. The allocation formula may change if any contribution would cause a contributor to exceed the contribution limit to one of the committees. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year. Contributions are not tax deductible for federal income tax purposes.
